

FFAR Grants Overview

300+

GRANTS AWARDED

\$1:\$1.40

AVERAGE RATIO OF FFAR TO MATCHING FUNDS

\$605M

FUNDING AWARDED & MATCHED

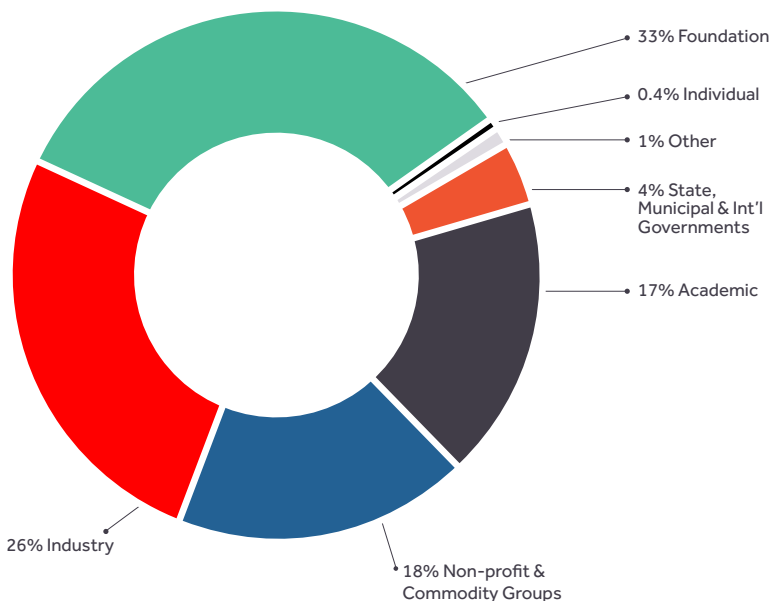

550+

TOTAL FUNDING PARTNERS SINCE 2014

Who Provides Matching Funding?

The 2014 Farm Bill provided \$200 million, and the requirement that FFAR match every federal dollar with a dollar from a nonfederal source. The 2018 Farm Bill further provided \$185 million. FFAR builds public-private partnerships to match federal funds and support pioneering food and agriculture research. The chart below outlines the percentage of matching funds received from various donor types from 2014 through 2022.

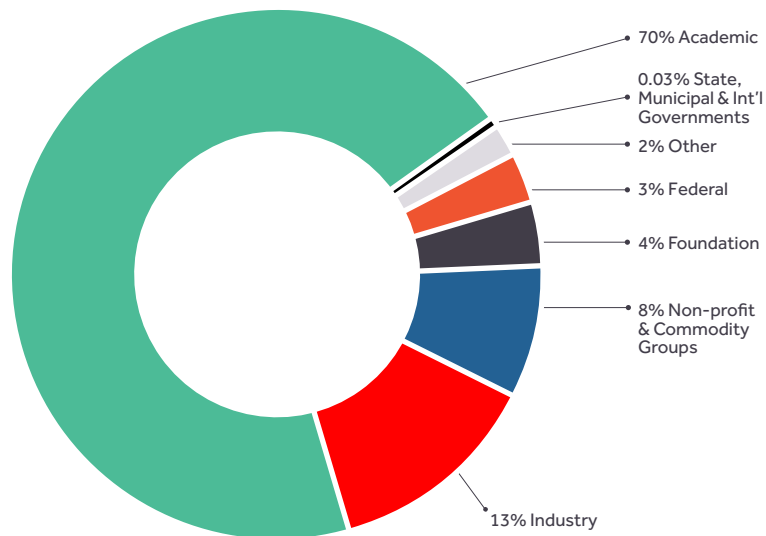

Matching Funders By Donor Type

Who Receives FFAR Grants?

FFAR's rigorous scientific review process ensures that the Foundation invests in the best science. FFAR also works with the U.S. Department of Agriculture to ensure complementarity.
